

35 COMPANIES AND ORGANIZATIONS • 1714 EMPLOYEES • \$416 MILLION OF INVESTMENT

*As BlueHalo continues to serve a primary role in groundbreaking programs for our customers, it is essential for us to continue growing our facilities in terms of physical size, number of employees, and technological capability. It has been exciting to see our expansion in New Mexico for manufacturing continue to take shape with the improvements at our Gibson facility and the signing of the new lease at 1300 Eubank.*

Dan Gillings, Sector President, BlueHalo

## COMPANY AND ORGANIZATION NEWS

### BlueHalo Continues to Expand Facilities

A former Raytheon building on Eubank Boulevard in the SS&TP was leased by BlueHalo. The company's manufacturing facilities are now increasing from their original footprint of about 50,000 square feet to over 200,000 square feet. BlueHalo plans to move into the building, their third facility in the Park, in the fall. The company provides capabilities in the domains of Space Superiority and Directed Energy, Missile Defense and C4ISR, and Cyber and Intelligence. BlueHalo has contracts with Sandia National Laboratories and the Air Force Research Laboratory's Directed Energy and Space Vehicles Directorates.

### New Member Joins the SS&TP CAC

Julia Miera, Business Development Manager for Sandia Laboratory Federal Credit Union (SLFCU), joined the SS&TP Community Advisory Council (CAC). The SS&TP CAC provides guidance and input on current and future activities for the Park. SLFCU is a full-service federal credit union with over 133,000 members and at year-end 2021, \$3.5 billion in assets. With 13 branches in the Albuquerque and Farmington, New Mexico areas and in Livermore, California, SLFCU has approximately 430 employees.

### SS&TP Holds Security in the Park Information Session

The SS&TP Program Office held a Security in the Park Information Session at SolAero by Rocket Lab. The event was an opportunity to get tips on safety and crime prevention. City of Albuquerque Councilor Renée Grout of District 9 moderated a panel of experts: Lieutenant Kenneth Johnston and Crime Prevention Specialist Samantha Martinez from the Foothills Area Command, Albuquerque Police Department; and Emergency Operations Manager James Breen and Emergency Planner Troy Hamby from Sandia. Many employees of Park companies and organizations, including those from Sandia organizations, attended the session.

### BioFlyte Appoints New Chairman and CEO

Todd Sickles is the new Chairman and CEO of BioFlyte. Todd has 35 years of corporate experience in both the commercial and federal government domains with executive leadership roles in strategy development and execution, new product development and launch, service line creation, and implementation of transformational change initiatives. BioFlyte is a biodefense and microbial identification company that is located in the TEAM Technologies building.
