

The SS&TP location helps us better serve the southeastern side of Albuquerque as well as communities to the east of the city. We were also looking for a space with a conference room, where we can bring in staff and partners from throughout New Mexico for meetings. This new office suite fits our agency's needs.

Casey Stone-Romero, Director, New Mexico Division of Vocational Rehabilitation

COMPANY & ORGANIZATION NEWS

NMDVR Opens Office

New Mexico Division of Vocational Rehabilitation opened an office in the SS&TP. NMDVR is a division of the state's Public Education Department, a State and Federally funded program. The purpose of NMDVR is to help people with disabilities achieve a suitable employment outcome and partner with companies and agencies seeking opportunities to enhance and diversify their workforce. Once fully staffed, NMDVR will have 34 employees in its Park office.
