

## SANDIA SCIENCE & TECHNOLOGY PARK

November 2012

*It was exciting to be such a significant player in another aerospace event that has taken place in New Mexico and has attracted worldwide interest.*

**Anthony Tenorio, Managing Partner, ATA Aerospace (commenting on the recent world record free-fall jump)**

**33 Companies and Organizations, 2474 Employees, \$351 Million of Investment**

### Company News

**Applied Technology Associates (ATA)** – ATA Joint Venture, ATA Aerospace, coordinated the launch of the Red Bull Stratos balloon that carried Felix Baumgartner into the stratosphere for his free-fall jump into the desert near Roswell, NM on October 14. ATA Aerospace provided the launch preparation and support, as well as recovery, of the Stratos capsule. Of the 100 people that supported the launch, 35 were from ATA Aerospace.

### Recent Events

**Sumitomo Electric Device Innovations USA (SEDU)**– The New Mexico State Land Office co-hosted a news conference, ribbon cutting, and facility tour for SEDU on October 4 to welcome them in the Sandia Science & Technology Park (SS&TP). SEDU designs and manufactures semiconductor lasers and photodetector-based products for data communications markets. The corporation is leasing space and locating 50 positions in the EMCORE facility.

**John Wyatt, President & CEO, Sumitomo USA; Richard J. Berry, Albuquerque Mayor; Masahisa Suzuki, Corporate Director, Sumitomo Japan; Ray Powell, NM State Land Commissioner; Hong Hou, President & CEO, EMCORE; John Sanchez, NM Lt. Governor; and Ryan Cangioli, Governor Martinez's Deputy Chief of Staff**

**Licensing Roundtable** – The SS&TP Program Office held a Roundtable discussion with members of SNL's licensing team and Park companies on October 23 at the Sandia Laboratories Federal Credit Union in the Park. The meeting was an opportunity for company leaders to learn about SNL's licensing and intellectual property process, and discuss specific issues.

### Recognitions

**Top Performing CEO** – Tony Tenorio, CEO & Chairman of ATA, was named 2012 Top Performing CEO by the New Mexico Business Weekly (NMBW). Tony was one of 20 CEOs selected based on his vision, leadership, and community involvement. He was recognized at a luncheon on October 18 and profiled in the NMBW special supplement for his outstanding leadership. John Freisinger, President & CEO of Technology Ventures Corporation (TVC) was also honored. He is a member of the Community Advisory Council for the SS&TP and TVC is one of the Partners in the Park.

**Anthony Tenorio  
CEO & Chairman  
ATA**

**Bernalillo County Recognizes the Park** – The SS&TP was recognized by the Bernalillo County Board of Commissioners on October 23. They honored those who established the Park, the 33 companies and organizations who reside in the Park, the financial impact of those businesses, and the partnership between the public and private sectors.

**SS&TP Newsletter** – To receive the Park Post electronically, contact Michelle Castro at 505.844.5795 or [mdeluca@sandia.gov](mailto:mdeluca@sandia.gov).
