Upcoming and Recent Events

2nd Annual Sandia Research & Technology Showcase—Learn about some of the cutting-edge research and technology taking place at Sandia National Laboratories. The Showcase is an opportunity for you to explore ways of doing business with the Labs through licensing, partnerships, procurement, and economic development programs. The event will focus on Bioscience, Computing & Information Science, Energy & Climate, and Nanodevices & Microsystems. It is free and open to the public and will be held on Tuesday, September 10 at the Embassy Suites in Albuquerque.

Licensing Roundtable – The SS&TP Program Office hosted a roundtable discussion with members of Sandia’s licensing team on Thursday, August 15 at the National Museum of Nuclear Science & History. The meeting was an opportunity for Park and community leaders to learn about Sandia’s licensing program, including “Hot” Technologies and Ready-to-Sign licenses. Contact ip@sandia.gov or visit <https://ip.sandia.gov> for more information.

Sandia’s Bob Westervelt, Licensing Executive; Jackie Kerby Moore, Manager, Technology and Economic Development; and Mary Monson, Manager, Business Development and Intellectual Property Management
